The Good Neighbor Fund program is for residents of Goochland County *only*. Resident must reside at up to 200% of the Federal Poverty Level and own the pet requested for services. Proof of residency, income level and pet ownership are required. Services are limited to two animals per year. Services will be coordinated by GPL with veterinary practices and animal hospitals governed and licensed by the Commonwealth of Virginia at GPL's discretion. Payment will be made directly to these veterinary practices and animal hospitals. No payments will be made to residents. All animals are required to be spayed/neutered at the time of service if they have not previously been altered. Residents must qualify annually for this service. Please see the GNF Policy for full details of requirements and process procedures. Questions: GNF@goochlandpetlovers.com or 804.556.5683, option #2.
